]- true.

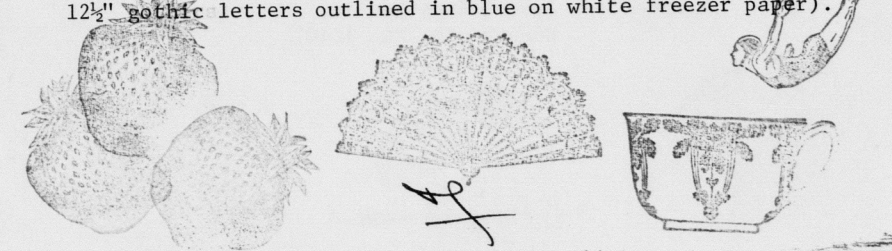

No food was good and we had a good time;  
we made SBS learn how to use Chop sticks  
and she did just fine.

Such strength it takes to keep going at such  
times: dreadful Friday, Saturday Cancelled &  
re-scheduled. JVB announced <sup>at mid-day</sup> that he  
would not be going down to Montage again -  
that infuriated me. He must learn to

## \$\$\$ HOT FLASH FOR PARADE PARTICIPANTS \$\$\$

Acrylic paint on freezer paper (get this by the roll from your  
local butcher) makes bright, large and waterproof parade signs.

This information came from Taffee. She and Hermes spend the  
4th of July every year in Owego because Hermes is friend of the  
son of Olga who owns Olga's antiques (on Bridge Street?). I don't  
remember her, do you? Taffee's payment for 2 weeks of clean air  
for her kids is to make a float sign for what she calls the  
"America, Love It or Leave It" parade. Her 30 foot long red,  
white and blue effort this year was quite impressive. (red  
12" gothic letters outlined in blue on white freezer paper).

one can hope that  
eventually JVB  
will become a  
responsible adult.

"play out the band"  
as it were. He  
must also learn to  
do what he says  
he will - to be a  
man of his word.

On Friday when  
they arrived at  
Montage, DWP &  
Holly gave it to  
JVB for not showing  
up on 7/4/85 in  
Maplewood.
